

## **MATERNITY NON-HYDE/ELECTIVE ABORTION NOTICE**

The State of Illinois now requires coverage for non-Hyde/elective abortions. To be compliant with state and federal law (Section 1303 of the Patient Protection and Affordable Care Act), all health plans must provide members with the notice shown below.

### **NOTICE TO ALL MEMBERS:**

CMS requires issuers to collect a separate premium for the coverage of non-Hyde/elective abortion services. The cost will be calculated annually, assessed per member per month, and will be billed separately from your monthly premium. If you are on automatic debit, separate charges will be drafted. We will deposit this fee into a separate account for these services.
